

South Sound Entrepreneurship Week

Wed, Oct. 1st – Sun, Oct. 5th

2025

Rise. Reinvent. Repeat.

A celebration of our unique and
tenacious small business community.

South Sound Entrepreneurship Week

South Sound Entrepreneurship Week brings panels, workshops, and networking events designed to inspire action and rejuvenate community among small business and its surrounding ecosystem.

This event will be as unique, inclusive, and tenacious as Tacoma's own nickname of Grit City. It will unite the community to work towards a shared healthy community and economy at its core. By participating in community-focused panels, action-oriented workshops, and networking events customized for the South Sound's small businesses, attendees will gain insights, build networks, and find inspiration to drive their businesses forward.

Join us at South Sound Entrepreneurship Week as we celebrate the spirit of entrepreneurship and the vital role of small businesses in our community. Together, we can ignite action, invigorate our community, and build a more prosperous future for Tacoma and Pierce County.
